

Stray cat paper collar

Thank you for caring about the cat
that has been visiting you.

To get a message to their owner (if they have one), please write your phone number on the collar, cut it out and fasten it snugly around the cat's neck. Keep it loose enough to fit 2–3 fingers between the collar and the cat's neck.

If you haven't heard back from the owner after 7 days and the cat is still visiting you but has lost the collar, please try again for another 7 days.

If you still receive no contact from an owner and are concerned for the cat's welfare, please contact your nearest SPCA Centre.

If at any time the cat becomes sick or injured and you are worried about its welfare, please contact your nearest SPCA Centre for further advice.
